Forecast For Northeast England
Issued by Met Office Exeter
at 1600 on Friday 27 Aug 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry with sunny spells on Saturday.

This Evening and Tonight:
Variable cloud amounts with some clear spells, generally cloudier in eastern areas with more prolonged breaks in the west. Light winds will allow the odd mist and fog patch to develop where skies clear. Minimum temperature 7 deg C (45 deg F).

Saturday:
Any early cloud and isolated fog soon lifting, to leave a largely fine day with good sunny spells. Feeling warm in the sunshine, but remaining rather cool along the coast. Maximum temperature 21 deg C (70 deg F).

Outlook for Sunday to Tuesday:
Dry with sunny spells Sunday, once early morning fog clears. Mainly dry Monday and Tuesday, although thicker cloud could bring spots of rain. Temperatures near normal, but cooler along coasts.
